User Manual

Assembly Description

1. Assemble the Frame:

Connect the frame pieces as shown in the diagram (ensure all joints click securely).

2. Mount the Target:

Place the foam target board into the assembled frame, ensuring it sits flat and is fully supported by the frame's back edge.

3. Choose Your Location:

Set up the target on a flat, stable surface (grass, carpet, or a sturdy mat indoors) against a safe backdrop, away from breakables, people, and pets. Maintain a clear throwing lane of at least 8-10 feet.

Safety Guidelines

- NEVER throw axes or darts when anyone is standing near the target or in the throwing lane.
- ALWAYS wait until all players have finished throwing before retrieving your equipment.
- NEVER aim or throw at people, animals, furniture, or walls.
- Designed for Ages 14+. Adult supervision is required for younger players.
- Small parts. Keep out of reach of children under 3.

Care & Maintenance

- Store your game set in a cool, dry place.
- To clean, wipe axes and darts with a dry cloth.
