Setup Instructions

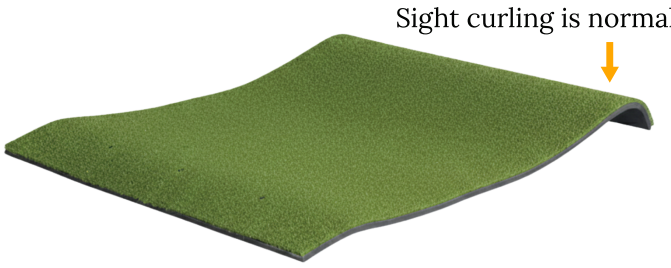

1. Unroll the Mat:

After unpacking, unroll your mat on a flat surface.
A slight curl at the edges is normal after packaging.

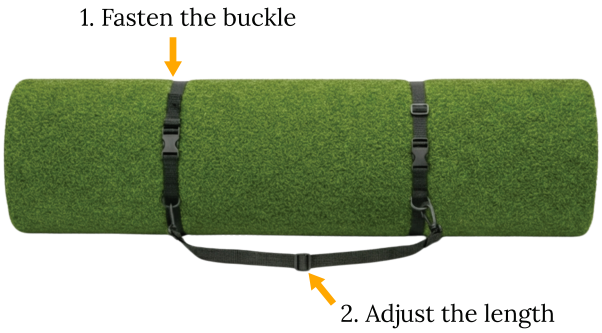

2. Lay it Flat:

To help the mat relax and lie completely flat, reverse-roll it and let it rest in a well-ventilated area for about 3 hours.

3. Roll up & Secure

After use, roll up the mat, fasten the two buckles on the strap, and adjust the strap to the proper length.
